Summer Membership

The Club invites applications for Summer Membership three or four times a year, and the Membership Subcommittee considers these as time permits, then submits its recommendations to the Club Committee for approval.

By joining as a Summer Member you will have the ability to use the club's 3 lodges in Thredbo and Guthega at member rates and enjoy the natural attractions that both villages offer as well as the extensive range of summer activities in Thredbo. In addition you will have the ability to book into the club in winter at associate rates from Round 3 of bookings.

Aspiring summer members need to fill in the Summer Member Application Form (on the website/or attached) and will need to obtain sponsorship from two (2) Full Members. **If you are unable to provide sponsors from within the club please contact the Membership officer to discuss options.**

Full Membership

Full Membership applications are usually invited in December and January of each year. Applicants should note that membership is currently full, and the number of adult applicants accepted in any given year depends on the number of current members who do not renew. Vacancies are calculated after the close of renewals (31 December) and are usually determined prior to the Annual General Meeting in March.

Children (under 18 on 1 January) of current adult members are always welcome to join, and children under the age of 3 on 1 January have no joining or membership fees.

Aspiring full members need to fill in the Full Member Application Form (on the website/or attached) and need to obtain sponsorship from two (2) Full Members. **If you are unable to provide sponsors from within the club please contact the Membership officer to discuss options.**

General Membership Information

Membership fees consist of joining fees and annual fees, which are subject to change. The current fee structure is available on the club's website.

For both summer and full members, preference is given to former members, immediate family of an existing member, to persons who have participated in activities (including staying in the club lodges) as an associate, and to persons who have attended at least one work party. Consideration is also given to persons who can offer useful skills to the club, and who are prepared to race for the club.
