1. Introduction

The success of day-to-day lodge operations and the enjoyment of people staying in our lodges rely heavily on members co-operating to get things done. The following guide provides information that is important to your stay.

If you need help or advice, please contact the Administration Manager using admin.mgr@brindabellaskiclub.org.au. Contact details for Committee members are available in Christie or from the Club website.

COVID-19 CHANGES TO LODGE OPERATIONS

Due to COVID-19, lodge operations for Summer 2020-21 are substantially changed from previous years. Authorities consider our lodges to be a high-risk environment. The changed operations are necessary for our Club to comply with NSW Health orders and the directions of other authorities.

All members are asked to carefully consider their decision to utilise the lodges this Summer with the understanding that:

- the experience will be significantly different to normal
- you will be required to accept increased responsibilities and
- you will accept the associated risk.

To minimise the chance of an outbreak of COVID-19 **all guests are encouraged to download the [COVIDSafe App](#)**. In the event of an infection outbreak or cluster, the more people who are running the COVIDSafe app during their stay in the lodges, the faster and more extensive contact-tracing can occur and assist authorities to minimise the spread of the disease.

The Club has prepared a COVIDSafe Plan adapted from the National COVID-19 Coordination Commission (NCCC) COVIDSafe Plan. Compliance with the new COVIDSafe Plan has led to changes in our lodge procedures. The Club's [COVIDSafe Plan](#).

Before travelling to the lodges, all Club members will **view the [BSC COVIDSafe briefing video](#)**, complete a standard **COVID-19 health check** and a **knowledge test** to confirm their understanding of their responsibilities to ensure our lodges are as safe as possible.

Upon arrival at the lodge, all guests must complete the standard COVID-19 health check and undergo a temperature check. Members will also be asked to agree to a waiver of liability which is provided at the end of this document.

If a Member or an Associate does not complete or fails the COVID-19 health check before their stay or during their stay, or if they develop COVID-19 symptoms during their stay, their booking will be cancelled. They and everyone in their group will not be allowed to stay in our lodge. The [2020-21 Bookings Rules, Rates and Dates](#) document provides more information on changes to the Cancellation Policy for this year.

During your stay, members and guests are responsible for ensuring the lodge has been cleaned to the high standard required as this is an important strategy to minimise transmission risk. Not following this directive may lead to a lodge being shut down. Sanctions may be applied to members or their guests in these instances.

Lodge duty rosters reflect the additional cleaning responsibilities. Posters in each bunkroom and in common areas will provide specific cleaning instructions for members and guests. Appropriate sanitisation and cleaning supplies will be provided.

We have established protocols to ensure our lodges are sanitised after the departure of each guest. However, we cannot guarantee that all surfaces and touchpoints remain sterilised. Incoming guests are asked to sanitise their bunkrooms before moving in.

NSW Health authorities advise that gloves and face masks are not required in public places, however these and other Personal Protective Equipment (PPE) will be available should a guest develop COVID-19 symptoms and for specific cleaning tasks.

We recommend that guests who wish to wear gloves and face masks while participating in normal activities in the lodge should bring their own supplies. You may also wish to bring a small bottle of hand sanitiser to put in your pocket for outdoor activities.

Lodge capacity complies with government legislation and is based on the application of the four-square meter rule across the combined communal living areas. Guests are asked to maintain 1.5 meter physical distance from other guests who are not part of their booking group.

Lodge Managers and Lodge Leaders have additional responsibilities this year to ensure that our lodges operate in accordance with the COVIDSafe Plan.

2. BEFORE YOU LEAVE FOR THE MOUNTAINS

2.1 PRE-STAY COVID-19 QUESTIONNAIRE

Before the Trip-list is finalised, members will be asked in the Pre-stay Questionnaire to watch the [BSC COVIDSafe briefing video](#) and then complete on behalf of all the Associates in their booking group a standard COVID-19 health check and a knowledge test to confirm their understanding of the responsibilities to ensure our lodges are as safe as possible.

2.2 FOOD

- You must bring ALL the food and condiments you require for the duration of your stay.
- There are no shops in Guthega where food can be bought. In Thredbo there is a small supermarket. In 2020, Thredbo restaurants are likely to operate at reduced capacity. Items in pantries labelled as "Club Use Only" must not be used except in conjunction with Club events and with the approval of the Lodge Manager.
- Alcohol in pantries must not be used.
- If the pantry is locked, please consult the Lodge Manager or Lodge Leader.
- If you note shortages of any supplies including paper or cleaning products, please advise the Lodge Manager or Lodge Leader during your stay and/or the Guthega Provisioning Officer Maria Stavreas via m.stavreas@gmail.com or 0415 304427 on your return from the mountains.

2.3 TRIP-LIST

- Prior to your stay you will receive a Trip-list email from the Administration Manager containing the lodge access code, an attachment for the bed allocations for your lodge, and links to the Lodge Operations Guide, the Lodge Leader's report and the lodge users' survey.
- The Trip-list email will also contain other relevant information related to the lodge and/or location (e.g. Guthega information).

2.4 SUPPLIES COLLECTION

- Supplies for each lodge may need to be taken to the mountains.
- If you can take supplies, please contact the Provisioning Officer Maria Stavreas via m.stavreas@gmail.com or 0415 304427 ASAP after receiving the Trip-list email.
- Supplies are generally collected from Jindabyne or from Campbell in Canberra. Campbell is not far from Canberra Airport and is convenient for those travelling from Sydney.

- The approximate time for collection of provisions **MUST** be confirmed with the Provisioning Officer.
- Please bear in mind that if everyone leaves it to someone else you may find there is a shortage of critical supplies or a maintenance task is left undone.

2.5 LODGE ACCESS

If you do not receive notification by email, to obtain the current door code, please contact the Administration Manager on admin.mgr@brindabellaskiclub.org.au or (02) 6100 4272. For Thredbo, please send an SMS requesting the door code to the Waragun Lodge Manager. Mobile numbers are listed in section 2.7.

- **To be COVIDSafe, visitors are not allowed in the lodges. If they're not booked in, don't let them in!**
- Please **DO NOT** rely on other people to let you into the lodges.
- Please **DO NOT** assume the door code is the same as the last time you used the lodge.
- Information relating to opening/closing each of our lodges is provided in section 6.
- To reduce the risk of theft, please always keep external doors **CLOSED**.

2.6 BED LINEN & TOWELS

Due to COVID-19, linen supplied in previous years has been removed from bunkrooms for 2020-21. Please bring your own pillow, doona or sleeping bag, sheets, pillowcase and towel. A mattress protector is supplied for each bed.

If you are bringing a sleeping bag you must also bring a bottom sheet, pillow, and pillowcase.

It is a health requirement for you to provide the listed items. Bunkrooms will be checked to ensure guests have brought and are using appropriate linen.

If you forget to pack your towel, pillow, doona or sleeping bag, sheets or pillowcases, please inform the Waragun Lodge Manager or Administration Manager immediately.

In **Tiobunga**, room 13 has a queen bed (L203cm x W153cm x D29cm). Room 5 has a queen bed and a thin king single (L203cm x W92 x D29cm).

All other beds are thin king singles (L203cm x W92cm x D29cm) so normal single sheets do not fit. Your king single sheets or flat double sheets will fit.

Note that two thin king single beds zipped together are the same size as a king size bed (203cm x 184cm x D29cm) - you may have difficulty finding a sheet to fit so flat sheets are recommended.

In **Kyilla**, room 4A has a double bed. Rooms 2 and 3 have a bunk with a 7/8th single on the top and a king single underneath, and two queen singles that may be joined. All other beds are singles.

In **Waragun** (Thredbo), **rooms 3 and 4 each contain 3 beds (one bunk and one single)**. All other rooms contain two thin king single beds (L203cm x W93cm) so normal single sheets do not fit well (flat double sheets are better). Two thin king single beds can be placed together (and fastened with a Velcro strip) to form a bed that is just larger than a king size double bed (L203cm x W186cm). You will have difficulty finding a sheet to fit so flat sheets are recommended (no fitted sheets).

2.7 TELEPHONE

There is **NO OUTGOING LONG-DISTANCE TELEPHONE SERVICE**. All mobile, ISD and STD calls are barred from telephones in the lodges.

Please limit your calls to ten minutes to give people trying to ring-in a chance to get through. Please do not use the telephone to make internet connections.

Lodge	Telephone
Kyilla	(02) 6457 5577
Tiobunga	(02) 6457 5329
Waragun (Thredbo)	(02) 6457 7370
Thredbo Manager	(02) 6457 7369 0439 444 116

In Guthega village, mobile phone coverage is variable depending on carrier and precise location. Coverage is good for Optus and Optus resellers. However, if you are a Telstra, TPG or Vodafone customer, do not rely on your mobile phone whilst inside the Guthega lodges!

At Thredbo, mobile phones work well both inside and outside the lodge.

2.8 INTERNET AND EMAIL

At Thredbo, the internet is available, and the password is on the noticeboard near the Trip-list. There is a desk downstairs in the TV room.

At Guthega ADSL is not available. Optus has a base station in Guthega so broadband wireless internet connectivity is possible using Optus and Optus resellers, with your own service plan and equipment. Some members have had limited success with Telstra NextG.

2.9 VEHICLES

Although **chains** are not compulsory items of luggage for 2WD vehicles in Summer, it's advisable to take them in case of snow.

- **A shovel, groundsheet, work gloves, torch and jumper-leads** are also highly recommended items of equipment for your car in case of a snow fall.
- **Antifreeze** is essential to prevent the coolant in your radiator and engine from freezing.
- **Guthega parking** winter restrictions are not enforced until 1 June 2021.
- **Thredbo parking** for twelve cars is provided and it is important that these be used. There are three spaces on the northern side of the lodge adjacent to the front door and three spaces under the main western deck (if you want to use these, please drive as far forward as you can). There are also six spaces on the eastern (river side) edge of the public car park. You can use the key hanging on the coat rack in the entrance area to unlock a car park rather than park in the public overnight car park. Relock the chain when you leave.

2.10 SHOPPING

- There are NO shops in Guthega that sell food to prepare in our lodges.
- Thredbo Village has a small supermarket and several shops, restaurants, bars and nightclubs for your entertainment within a 10-minute walk of the lodge.

3. YOUR ARRIVAL

Do not plan to access the lodge before 4:30 pm if a previous booking is still there but about to leave.

Due to COVID-19, IF YOU ARRIVE BEFORE 4:30PM, YOU SHOULD NOT ACCESS THE LODGE TO ENSURE SOCIAL DISTANCING FROM THE PREVIOUS BOOKING WHICH SHOULD LEAVE BY 3:30PM ON THAT DAY.

Please check the [Lodge Availability](#) on the website to see if the lodge you will be staying in will be empty during the period prior to your booking.

Leave all your luggage in your car. You may leave your Esky outside in the shade until it is time to move in. Be careful, ravens will eat your food if it is not adequately packaged.

Due to COVID-19 restrictions you are not allowed to occupy the lodge until every member of your booking group has had a COVID-19 health check (for symptoms) and temperature check when you arrive. Then you all need to sign the waiver (see section 8).

Please do NOT rearrange the trip-list. (Only the Administration Manager or Waragun Lodge Manager may do this).

Leaving bunkrooms unused or “rested” is a component of the COVIDSafe Plan. It helps ensure that there will be no recent contamination by an infected person. Rooms designated as being rested are not to be used. Do not enter empty rooms for any reason.

Do not place food in the kitchen fridge or pantry freezer until after 4:30pm.

Guests are asked to sanitise their allocated pantry storage spaces and bunkrooms before using them.

Your booking group should quarantine cutlery and crockery for exclusive use during your stay.

Special conditions will apply to kitchen usage. As well as physical distancing requirements, guests are expected to minimise the amount of time they spend in the kitchen. Culinary extravaganzas will not be allowed this year. Members should consider the use of pre-prepared meals that largely require only reheating and should aim to keep preparation time to 15-30 minutes.

Lodge duty rosters reflect additional cleaning requirements specified by health authorities. Please check the roster and ensure your jobs are completed to a high standard. Posters in each bunkroom and in common areas will provide specific cleaning instructions for guests. Appropriate sanitisation and cleaning supplies will be provided.

It is expected that each guest may spend up to 30 minutes each day to complete their COVIDSafe cleaning duties.

At the end of each booking period the performance of members against the COVIDSafe Plan will be reported including the COVID cleanliness of the lodge. If members are unable to follow COVIDSafe instructions, the Committee may have to consider closing our lodges.

Specific information relating to opening each of our lodges is provided below.

4. YOUR DEPARTURE

You should complete your room cleaning and lodge duties and leave the lodge by 3.30pm.

Due to COVID-19 you will be required to perform additional cleaning and sanitising in 2020-21. Cleaning instructions will be displayed in each bunkroom. Lodge duties have been adjusted accordingly and where special instructions are warranted, signage is provided in the appropriate space.

It is expected that each guest may spend up to 60 minutes to complete their COVIDSafe cleaning duties before departure.

Do not leave food of any kind. Please take it home with you or dispose of it.

Food left in the fridge or freezer at the end of the booking period will be disposed of unless it belongs to guests staying on.

Fridges and freezers must NOT be used for long term food storage.

On departure you should take all luggage with you even if you are returning later in the year. There is not enough room in our lodges to store your clobber.

Specific information relating to opening and closing each of our lodges is provided at section 6.

5. DURING YOUR STAY

Our more experienced members are encouraged to warmly welcome newer members and associates and help them settle in.

The way our lodges run varies a little depending which lodge you stay in and who you share the lodge with. If you are new to a lodge, please take a little time to familiarise yourself with how things work. If in doubt, ask. Don't worry too much if you do something a little differently from the way it is normally done. You may be introducing a better way!

5.1 ROSTERED & COVID-19 DUTIES

Rostered duties enable our lodges to run smoothly in a COVIDSafe manner and keep accommodation costs down.

- As already mentioned, due to COVID-19 in 2020-21 members and guests are required to undertake significantly more responsibility for cleaning. It is expected that each guest will spend an additional 30-60 minutes each day to perform rostered and other cleaning duties
- EVERYONE staying in the lodge is to do a fair share of lodge duties.
- Adults should consider others when choosing duties. Please don't take 'kid friendly' jobs and leave harder or more complex jobs to children. That doesn't pass as "fair"!
- Parents may have to complete duties for their children, if the children are unable to complete duties satisfactorily.
- In addition to your rostered duties, you are also required to clean:
 - Your bedroom and en-suite
 - Immediately after use, all communal areas including (but not limited to) those used for meal preparation, dining, kitchen clean-up, lounge, ski room and laundry.

5.2 GENERAL RESPONSIBILITIES

In addition to the rostered duties, it is expected that you will assist the easy operations of the lodge by acting in a way that ensures:

- External doors and windows are always CLOSED AND LOCKED when the lodge is empty.
- Regular topping-up the sanitising stations (Viraclean, wipes and gloves) around the lodge and making sure there are adequate supplies for your stay and the next.
- Washing up, drying up and putting away are completed in a timely manner. The "dishwasher" is for sterilising crockery and cutlery. It is not efficient at removing food scraps so scrub those items before placing on the "dishwasher" trays.
- Please don't leave dirty dishes or pans in the sink or on the bench.
- The dishwasher is unpacked when it has completed its cycle.
- Common areas including kitchen, lounge room, ski room, drying room and workshop are maintained in a tidy state.
- Bathrooms have liquid soap and adequate supplies of spare toilet rolls.
- Bottles, cans, and plastics are sorted for recycling.
- Food is clearly labelled, and food is not left on benches or tables.
- Leftover food is taken with you when you leave.
- SHOES: Outside shoes are removed at the entrance area and changed for soft inside shoes.

- DO NOT drape any clothing over your bunkroom heater.
- Supplies in need of replenishment and equipment in need of repair or replacement are identified. Please do not assume someone else has reported something, instead speak to the Lodge Manager, or if there is no Lodge Manager in residence then speak to the Lodge Leader or make a note on the Lodge Leader's report.
- Details of any proposed long hikes or ski tours are notified to responsible people who will be staying in the lodge on your return and who are not in the hiking or touring party (such as the Lodge Manager) and recorded on the notice board. Complete the NSW NPWS [Trip Intention Report](#).
- Choice of music is alternated with that of other lodge users.
- Noisy activity ceases at 11:00 pm.
- NOT ALLOWED IN THE LODGES
 - Smoking
 - Loud or offensive behaviour
 - Any other behaviour that adversely affects the use or enjoyment of the lodge by other users.

Refer to the Club's Code of Conduct '10 Commandments' on the website and in lodges for further information about appropriate lodge behaviour.

5.3 FIRE SAFETY

The Club's Fire Evacuation Plan is located next to the fire system control board, on the notice board in each lodge and other strategic positions.

5.4 YOUNG CHILDREN

Children are welcome in our lodges and are expected to behave in a manner that does not adversely impact on the enjoyment of others. There is a shared responsibility to ensure a convivial atmosphere is maintained when children are staying in the lodge. Should an issue arise, please approach the child, their parent or the Lodge Manager or Lodge Leader directly.

Please DO NOT put dirty nappies in the rubbish bins in the lodges. Parents must ensure that dirty nappies are removed from the lodge before departure. Nappies should be tied in a plastic bag and placed in the outside rubbish bin or general garbage hopper.

WARNING – EXTREME DANGER

It's important that young children are made aware that they must not leave a lodge unless accompanied by an adult. To comply with fire regulations, it is made extremely easy to exit our lodges. If your child exits a lodge alone, will they be able to re-enter? Will they know where the door chime is?

5.5 SAUNA

Due to COVID-19 the sauna in Tiobunga will not be available in 2020-21.

5.6 LODGE MANAGER

The Lodge Manager will promote a friendly and cooperative atmosphere in the lodges and enhance the smooth running of the lodges.

There is no Lodge Manager in Guthega during Summer. However, the Thredbo Lodge Manager will visit Guthega lodges regularly to ensure all lodges are running smoothly and safely. Lodge Leaders in Guthega play an important role in the operations of Tiobunga and Kyilla.

The Lodge Manager is your first point of contact for assistance.

The duties of the Lodge Manager are to:

- Oversight the smooth and safe operation of the lodge(s).
- Oversight the Club COVIDSafe Plan.
- Perform the role of Fire Evacuation Warden.
- Act as a point of contact for members seeking short notice bookings.
- Post trip-lists on the lodge noticeboard. Trip-lists provided to members by email are indicative only. In consultation with impacted persons the Lodge Manager may change bed allocations to maximize safety. Remember, you book a bed not a room.
- Perform basic lodge maintenance, arrange access for tradespeople and manage maintenance issues as required.
- Establish and revise job rosters to meet changing needs.
- Confirm that lodge duties are performed.
- Perform a limited number of regular cleaning & housekeeping duties – the specifics vary between lodges.
- Perform or arrange additional cleaning duties, as necessary.
- Maintain lodge phone/Internet communications.
- Control the pantry inventory and liaise with the Provisioning Officer to ensure agreed food and other supplies are available.
- Manage lodge security and lodge energy requirements.
- Represent the Club in any discussions with resort management and other lodges on local issues. For example, Guthega car-parking.

The following is a list of jobs which do NOT form part of the Lodge Manager's duties:

- Cooking meals.
- Cleaning individual rooms.
- Shoveling snow.
- Taking the garbage to the hoppers.
- Bringing up the food from the car park and packing it away.

Please understand that the position of Lodge Manager is a part-time one. While your Lodge Manager is generally happy to be of assistance whenever required, they would appreciate consideration in relation to their personal time.

5.7 LODGE LEADER

Due to COVID-19, in 2020-21 the Lodge Leader assumes an important role to ensure lodge operations follow the Club's COVIDSafe Plan. They will assist lodge guests and the Lodge Manager to do what is expected this year. Lodge Leaders will be contacted before the start of their bookings to ensure they understand their role.

If Lodge Manager is in residence

The Lodge Leader's responsibility is to work with the Lodge Manager to ensure the lodge operates smoothly and to facilitate your enjoyment of a happy, relaxed atmosphere in the lodge. The Lodge Leader role includes:

- Introduce themselves to all guests.
- Act as a point of contact for any concerns when Lodge Manager is not available.
- Liaise with Lodge Manager about any issues.
- Complete and return the Lodge Leader's report to the Lodge Manager.

If Lodge Manager is NOT in residence

The Lodge Leader is responsible for the management of the lodge for the period indicated on the trip-list. The Lodge Leader will assist you by answering questions and addressing concerns.

The Lodge Leader reports to the Committee by completing the online Lodge Leader report, included on the trip-list email.

The role of the Lodge Leader includes:

- Confirm the safe arrival of guests.
- Introduce themselves to all guests.
- Ensure the lodge operates in a COVIDSafe manner.
- Ensure all guests have signed the waiver, collect and put them in the envelope provided and place it under the door of the Lodge Manager's flat.
- Ensure no visitors enter the lodge.
- Is not authorised to change bed allocations shown on the Trip-list except with the agreement of the Thredbo Lodge Manager or the Administration Manager. This is a safety issue in case of lodge evacuation.
- Ensure lodge duties are performed. According to specific requirements at the time, Lodge Leaders may adjust the lodge duty roster or request additional duties. The Lodge Leader role is considered a duty itself, so Lodge Leaders are not required to undertake an additional duty from the roster.
- Complete the Lodge Leader's report and email it to admin.mgr@brindabellaskiclub.org.au.
- Perform the role of Fire Evacuation Warden.
- Address situations involving unsuitable behaviour or where lodge rules are contravened. Report these situations to the Committee via the Membership Officer, Margaret Smythe (membership.officer@brindabellaskiclub.org.au).

The Brindabella Ski Club has put in place several preventative measures to reduce the spread of COVID-19. However, the Club cannot guarantee that you, your guests, or anyone else will not become infected with COVID-19. Further attending the Club could increase your risk of contracting COVID-19.

The Club's COVIDSafe Plan has been adopted from the World Health Organisation Interim Guide and Operational Considerations for COVID-19 Management in the Accommodation Sector. You can also familiarise yourself with those requirements at: <https://apps.who.int/iris/handle/10665/331638>.

You must also comply with all Government and Club social distancing requirements and guidelines. You are also responsible for ensuring that all your guests comply with all COVID-19 requirements.

Any breach or non-compliance with any COVID-19 requirements may lead to a direction being issued to you and/or your guests by the Lodge Manager, Lodge Leader or other Club Officers to immediately leave the premises. If such a direction is issued you must comply with it.

By signing this form you agree to the above conditions and you also acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that you or your guests may be exposed to or affected by COVID-19 by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability or death.
