

SLOPES - Latest News - June 2021

NPWS advise:

A reminder that overnight parking is no longer available in the Perisher and Smiggin Holes car parks.

Perisher Resort have advised that Skitube is open and operating for the season.

Please call the office with any queries Ph: 64574444

Putting that aside, life will resemble normal on the slopes. Unlike last year there will be no caps on numbers at any resorts and you won't have to pre-book specific days.

Indoor venues will still have to comply with density quotas, and QR code check-ins will be mandatory everywhere.

Perisher, Falls Creek and Mount Hotham are all covered by Vail Resorts' 2021 Epic Australia Pass.

The Epic Pass also provides refunds in the event resorts are closed, as well as personal illness, job loss and injury.

This is the link to book [Epic Australia Passes](#) and monitor the Snow Cams.

Perisher Vail

All Perisher retail functions including lesson purchases are at Perisher, not Blue Cow due to staff limitations

Guthega ticket sales, ski hire and service will **not** be available at Guthega this season.

Skiers starting at Guthega without a ticket will be allowed to ride the lifts to Blue Cow

Perisher has prepared and published an Uphill Access Policy for the resort areas due to increasing numbers of backcountry skiers within the resort area. Focus is on safety, avoiding grooming and winch equipment.

COVID

NSW Health has assigned a dedicated officer to the resorts for the season and as per last year a COVID testing clinic will be available at Perisher, with also some possibility of testing to be conducted at lodges where travel to the clinic poses an exposure risk.

Car parking at Guthega

Car parking pressure has increased with increased numbers of resort skiers using Guthega as a base as well as the rapidly growing numbers of backcountry skiers.

Inappropriate parking behaviour was commented on, the need for improved signage highlighted. NPWS will take action.

Guthega Inn

Open for drinks and coffee 3:00 – 5:00pm daily.

Dinner by reservation, group sizes limited to 6 due to space and Covid limitations

2021 Census

Will take place on Tuesday 10th August. Census forms will be delivered to lodges. Compliance is compulsory under Australian law.
