

Motion C: Mandatory vaccination

Proposer: Bruce Hartican

Seconder: Simon Bass

Received: 25 December 2021

I wish to move the following motion at the Brindabella Ski Club March 2022 AGM.

That the Brindabella Ski Club adopts the attached Slopes Vaccination advice dated 19/10/2021 (attached) and the Draft Vaccination policy (attached). With the following modifications to reflect the development of the Omicron variant of Covid 19 and recent changes to Health Policy:

- The age exemption shall be for those under the minimum age which vaccine is offered under federal health guidelines, currently less than five years old.
- That full Vaccination shall be three doses of vaccine or as per federal health guidelines of the time.

The purpose of this motion is to take all reasonable steps to provide a safe workplace and snow sport accomodation for our managers, contractors, members and guests alike, the vast majority of whom will have no problem with confirming their Vaccination status and take much comfort from the knowledge that all those they encounter in our communal facility (high risk) lodges are fully vaccinated unless exempt on medical or age related grounds.

Why propose this motion? Because the clubs current policy is that the club risks litigation if it asks for proof of Vaccination and so will not do so. That policy which was based on an interpretation of an earlier Slopes advice, (the secretary can attach that advice to this motion for members information), was I believe, superseded by the attached draft Vaccination policy and cover letter.
