	Work Party Payments in lieu	82						NOTE: The 3.5 CPI increase is applied to the WP Payment in lieu as it hasn't been increased since 2018

Explanatory notes: At the (belated) 2020 AGM, membership subscriptions for 2021 were increased by 30% and rounded to an integer multiple of \$5. At the 2021 AGM membership subscriptions for 2022 were set at the same levels as they were for 2021. For 2023 the Committee recommends only increasing the **Joining Fees** (and not the Annual Fees) by the CPI for the 12 months to December 2021 (3.5%). These have been rounded up to the nearest \$1.
