## LODGE OPERATIONS GUIDE – WINTER 2022

The success of day-to-day lodge operations and the enjoyment of people staying in our lodges rely heavily on members co-operating to get things done. The following guide provides information that is important to your stay.

If you need help or advice, please contact the Administration Manager by emailing [admin.mgr@brindabellaskiclub.org.au](mailto:admin.mgr@brindabellaskiclub.org.au). Contact details for Committee members are available in Christie or from the Club website.

### COVID-19 RELATED LODGE OPERATIONS

Due to COVID-19, lodge operations for winter 2022 are changed from previous years. Authorities consider ski lodges to be a COVID-19 risk environment. The changed operations are necessary for our Club to comply with NSW Health orders and the directions of other authorities.

All members are asked to carefully consider their decision to utilise the lodges this season with the understanding that:

- the club has a mandatory vaccination policy as passed at the 2022 AGM;
- the experience will be different to pre-COVID;
- you will be required to accept increased responsibilities; and
- you will accept the associated risk.

Before travelling to the lodges, all Club members will complete a standard COVID-19 health check and a knowledge test to confirm their understanding of their responsibilities to ensure our lodges are as safe as possible.

Members will also be asked to agree to a waiver of liability as provided at the end of this document.

Upon arrival at the lodge, all guests will complete the standard COVID-19 health check and undergo a temperature check.

If a Member or an Associate does not complete or fails the COVID-19 health check before their stay or during their stay, or if they develop COVID-19 symptoms during their stay, their booking will be cancelled. They and everyone in their group will not be allowed to stay in our lodge. The 2022 Booking Rules\_document provides more information on the Cancellation Policy for this year.

During your stay, members and guests are responsible for ensuring the Lodge has been cleaned to the high standard required as this is an important strategy to minimise

transmission risk. Not following this directive may lead to a Lodge being shut down. Sanctions may be applied to members or their guests in these instances.

Lodge duty rosters reflect the additional cleaning responsibilities. Posters in each bunkroom and in common areas will provide specific cleaning instructions for members and guests. Appropriate sanitisation and cleaning supplies will be provided.

We have established protocols to ensure our lodges are sanitised after the departure of each guest however we cannot guarantee that all surfaces and touchpoints remain sterilised. Incoming guests are asked to sanitise their bunkrooms before moving in.

Australian health authorities recommend that gloves and face masks are not required in public places, however these and other Personal Protective Equipment (PPE) will be available should a guest develop COVID-19 symptoms and for specific cleaning tasks.

We recommend that guests who wish to wear gloves and face masks whilst participating in normal activities in the lodge should bring their own supplies. You may also wish to bring a small bottle of hand sanitiser to put in your pocket while you are skiing.

## **1. BEFORE YOU LEAVE FOR THE MOUNTAINS**

### **1.1 COVID-19 QUESTIONNAIRE**

Before the Triplist is finalised, members will be asked to complete on behalf of all the people in their booking group will complete a standard COVID-19 health check and a knowledge test to confirm their understanding of the responsibilities to ensure our lodges are as safe as possible.

### **1.2 FOOD**

- You must bring ALL the food you require for the duration of your stay with the exception of items shown on the attached pantry list.
- There are no shops in Guthega where food can be bought. In Thredbo there is a small supermarket and many restaurants. Items in pantries labelled as “Club Use Only” must not be used except in conjunction with Club events and with the approval of the Lodge Manager.
- Alcohol in pantries must not be used except in conjunction with Club events and with the approval of the Lodge Manager.
- If the pantry is locked, please consult the Lodge Manager or Lodge Leader.

If you note shortages of any supplies including paper or cleaning products, please advise the Lodge Manager or Lodge Leader during your stay and/or the Admin Manager on your return from the mountains.

### **1.3 TRIP LISTS**

- By Friday morning prior to your stay, you will receive a ‘Triplist’ email containing lodge access codes. The email will contain a link to the Club website to look up the bed allocations for your lodge, access the Lodge Operations Guide and guide for the use of the Oversnow Vehicle, access to the Guthega overnight parking form and Lodge Leader’s report.
- The ‘Triplist’ email will also contain any special information relevant to your booking.

## 1.5 LODGE ACCESS

If you do not receive notification by email, to obtain the current door code, please contact the Administration Manager on [admin.mgr@brindabellaskiclub.org.au](mailto:admin.mgr@brindabellaskiclub.org.au). On Friday or over the weekend, please send an SMS requesting the door code to the respective Lodge Manager. Mobile numbers are listed below.

- Please DO NOT rely on other people to let you in to the lodges.
- Please DO NOT assume the door code is the same as the last time you used the lodge.
- Specific information relating to opening/closing each of our lodges is provided below.
- To reduce the risk of theft, please always keep external doors CLOSED.

## 1.6 BED LINEN & TOWELS

Please bring your own towels, sheets and pillowcases as they are not provided.

- Two pillows, a doona and mattress protector are supplied for each bed.
- If you are bringing a sleeping bag you must also bring sheets and pillow slips.
- It is a health requirement for you to provide the listed items. Bunkrooms will be checked to ensure guests have brought and are using appropriate linen.
- If you forget to pack your sheets/sleeping bag and pillowcases, please inform the Lodge Manager or Lodge Leader immediately, who will be able to rent some to you.

### Tiobunga

- In Tiobunga Room 13 has a queen bed (L203cm x W153cm x D29cm).
- Room 5 has a queen bed and a thin king single (L203cm x W92 x D29cm).
- All other beds are thin king singles (L203cm x W92cm x D29cm) so normal single sheets do not fit. Your king single sheets or flat double sheets will fit.

Note that two thin king single beds zipped together are the same size as a king size bed (203cm x 184cm x D29cm) - you may have difficulty finding a sheet to fit so flat sheets are recommended.

### Kyilla

- In Kyilla Room 4A has a double bed.
- Rooms 2 and 3 have a bunk with a 7/8<sup>th</sup> single on the top and a king single underneath, and two queen singles that may be joined.
- All other beds are singles.

### Waragun

- In Waragun (Thredbo), **Rooms 3 and 4 each contain 3 beds** (1 bunk and one single).
- All other rooms contain two split king beds (L203cm x W93cm) so normal single sheets do not fit well (flat double sheets are better).

- Two thin king single beds can be placed together (and fastened with a Velcro strip) to form a bed that is just larger than a king size double bed (L203cm x W186cm). You will have difficulty finding a sheet to fit so flat sheets are recommended (no fitted sheets).

### 1.7 TELEPHONE (AND FAX)

- There is NO OUTGOING LONG-DISTANCE TELEPHONE SERVICE. All mobile, ISD and STD calls are barred from telephones in the lodges.
- Please limit your calls to ten minutes to give people trying to ring in a chance to get through.

- In Guthega village, mobile phone coverage is variable depending on carrier and precise location. Coverage is good for Optus and Optus resellers, however if you are a Telstra, TPG or Vodafone customer, do not rely on your mobile phone whilst inside the Guthega lodges!
- At Thredbo, mobile phones work well both inside and outside the lodge.

### 1.8 INTERNET AND EMAIL

- At Thredbo, WiFi is available. Please limit downloads and uploads. This service is provided for light usage such as e-mail and web browsing. We have a limited data plan as the service provider that we use offers no unlimited plan, and heavy use can consume all our quota before the end of the month. Please minimise bandwidth intensive uses such as streaming video or music, uploading or downloading large files or conducting web conferences. Overuse impacts on other lodge users and on

the Lodge Manager's ability to perform important duties. Excessive use will be investigated.

- At Guthega WiFi is not available. Optus has a base station in Guthega so broadband wireless internet connectivity is possible using Optus and Optus resellers, with your own service plan and equipment. Some members have had limited success with Telstra NextG.

## **1.9 VEHICLES**

- Chains are compulsory items of luggage for 2WD vehicles within the designated 'snow - ice risk' sections of the Kosciuszko National Park between 1 June and mid-October. Have the correct size chains and know how to fit them.
- 4WD & AWD vehicles: the RTA recommends carrying chains - especially if drivers are inexperienced driving in snow/ice risk sections, as there is a high rate of accidents in this area involving these vehicles.
- A shovel, groundsheet, work gloves, torch and jumper-leads are highly recommended items of equipment for your car.
- Antifreeze is essential to prevent the coolant in your radiator and engine from freezing.
- Guthega Parking is in the 'Authorised Car Park' just down the road from the day carpark, in the 'Touring Car Park' several hundred metres down the road and in a limited number of spaces between the Nordic Centre and Kyilla. Please display a Parking Permit (attached to the trip list e-mail or available from the lodge) on your front windscreen. The permit details your registration number, the lodge you are staying at and the period of your stay. You may also like to include your mobile phone number in case the snowplough operators need to contact you to move your vehicle. If snow clearing is required, you may be asked by the Lodge Manager to move your vehicle during your stay. You are NOT permitted to park in the Day Car Park overnight. (If you do, you may be fined, or worse still, you could find your car "modified" by the snowplough!).
- Thredbo Parking for twelve cars is provided and it is important that these be used. There are three spaces on the northern side of the lodge adjacent to the front door and three spaces under the main western deck (if you want to use these, please drive as far forward as you can). There are also six spaces on the eastern (river side) edge of the public car park. Please use the key hanging on the coat rack in the entrance area to unlock a car park rather than park in the public overnight car park. Relock the chain when you leave.

## **1.10 SHOPPING**

- There are NO shops in Guthega that sell food to prepare in our lodges. Guthega Inn no longer provides a lunch menu for the public. There is a supermarket in the train station at Perisher Valley, so you can ski over to Blue Cow and get the train to Perisher. Perisher has indicated it is considering opening food services at the Burning Log in 2022.
- Thredbo Village has a small supermarket and several shops, restaurants, bars and nightclubs for your entertainment within a 10-minute walk of the lodge.
- To avoid crowding and long queues associated with shopping at Woolworths Jindabyne, we recommend members should shop in larger supermarkets at home or in Cooma.

## 2. YOUR ARRIVAL

**For winter 2022 you should plan to arrive at the lodge after 16.00. Do not plan to access the Lodge before 16.00 (4:00 pm).**

- Due to COVID-19, during winter 2022, IF YOU ARRIVE BEFORE 16:00, YOU MUST NOT ACCESS THE LODGE FOR ANY REASON. Leave all your luggage in your car. You may leave your Esky outside in the snow or in the shade until it is time to move in. Be careful, crows will eat your food if it is not adequately packaged.

**Do NOT re-arrange the trip list. (Only the Lodge Manager may do this).**

**Do not place food in the kitchen fridge or pantry freezer until after 16:00.**

- Guests are asked to sanitise their allocated pantry storage spaces and bunkrooms before using them.
- Special conditions will apply to kitchen usage. As well as physical distancing requirements, guests are expected to minimise the amount of time they spend in the kitchen. Members may consider the use of pre-prepared meals to minimise kitchen time.
- Please check the roster and ensure your jobs are completed to a high standard. Posters in each bunkroom and in common areas will provide specific cleaning instructions for guests. Appropriate sanitisation and cleaning supplies will be provided.
- Specific information relating to opening each of our lodges is provided below.

## 3. TRANSPORT FROM CAR PARK TO GUTHEGA LODGES

During the Winter season Mt Tate Road is closed from just beyond the car park. The options of moving gear and food the next 150-200 metres to the lodges are:

- carry in all items
- use Club toboggans as available
- make use of the Club's Over Snow Vehicle (OSV) if available.

**Please note:** Self-drive of the OSV is only possible if you have previously obtained a licence. Otherwise, another member who is licenced may be able to assist. Refer to the separate document on the Club's Lodge Operating Procedures and Information webpage for more detailed information about the OSV and about obtaining a licence.

## 4. YOUR DEPARTURE

If you are skiing on the day of your departure, please leave your packed bags on your bed and clean your room before hitting the slopes.

**You should complete your room cleaning and lodge duties and leave the lodge by 2pm.**

- Due to COVID-19 you will be required to perform additional cleaning and sanitising in 2022. Cleaning instructions will be displayed in each bunkroom. Lodge duties have been adjusted accordingly and where special instructions are warranted, signage is provided in the appropriate space.
- It is expected that each guest will spend about half an hour to complete their COVIDSafe cleaning duties before departure.

- **Do not leave food of any kind. Please take it home with you or dispose of it.**
- Food left in the fridge or freezer at the end of the booking period will be disposed of unless it belongs to guests staying on for the next booking period.
- Fridges and freezers must NOT be used for long term food storage (ie don't leave your food from one weekend for the next weekend).
- On departure you should take your skis, boots and luggage with you even if you are returning later in the season. There is not enough room in our lodges to store your clobber.
- Specific information relating to opening and closing each of our lodges is provided at Point 6.

## **5. DURING YOUR STAY**

- Our more experienced members are encouraged to warmly welcome newer members and associates and help them settle in.
- The way our lodges run varies a little depending which lodge you stay in and who you share the lodge with. If you are new to a lodge, please take a little time to familiarise yourself with how things work. If in doubt, ask. Don't worry too much if you do something a little differently from the way it is normally done. You may be introducing a better way!

### **5.1 ROSTERED & COVID-19 DUTIES**

Rostered duties enable our lodges to run smoothly and keep your accommodation costs down.

- Due to COVID-19 in 2022 guests are required to undertake additional cleaning.
- EVERYONE staying in the lodge is to do a fair share of lodge duties.
- Adults should consider others when choosing duties. Please don't take 'kid friendly' jobs and leave harder or more complex jobs to children.
- Parents may have to complete duties for their children if the children are unable to complete duties satisfactorily.
- The duty roster is posted on the notice board from 11.00am on Sunday.
- In addition to your rostered duties, you are also required to clean:
- Your bedroom and en-suite
- Immediately after use, all communal areas including (but not limited to) those used for meal preparation, dining, kitchen clean-up, lounge, ski room and laundry.

### **5.2 GENERAL RESPONSIBILITIES**

In addition to the rostered duties, it is expected that you will assist the easy operations of the lodge by acting in a way that ensures:

- External doors are always CLOSED.
- Washing up, drying up and putting away are completed in a timely manner.  
The steriliser/ dishwasher is for sterilising crockery and cutlery. It is not efficient

at removing food scraps so scrub those items before placing on the steriliser/dishwasher trays.

- The steriliser/dishwasher is unpacked when it has completed its cycle.
- Common areas including kitchen, lounge room, ski room, drying room and workshop are maintained in a tidy state.
- Bathrooms have liquid soap and adequate supplies of spare toilet rolls.
- Bottles, cans, and plastics are sorted for recycling.
- Food is clearly labelled, and food is not left on benches or tables.
- Leftover food is taken with you when you leave.
- SHOES: Outside shoes are removed at the entrance area and changed for soft inside shoes.
- Only ski boots and clothing worn “below the neck except gloves” should be placed in drying rooms. Hats, helmets, goggles, neck warmers and gloves must be dried in your room.
- DO NOT drape any clothing over your bunkroom heater.
- Supplies in need of replenishment and equipment in need of repair or replacement are identified. Please do not assume someone else has reported something, instead speak to the Lodge Manager, or there is no Lodge Manager in residence then to the Lodge Leader or make a note on the Lodge Leader’s report.
- Details of any proposed ski tours are notified to responsible people who will be staying in the lodge on your return and who are not in the touring party (such as the Lodge Manager) and recorded on the notice board. Complete the NSW NPWS [Trip Intention Report](#).
- Choice of music is alternated with that of other lodge users.
- Noisy activity ceases at 11pm.
- Skis and snowboards are not to be taken into the bunk rooms - if you are worried about security, bring a lock and cable.

#### NOT ALLOWED IN THE LODGES

- Smoking
- Loud or offensive behaviour
- Any other behaviour that adversely affects the use or enjoyment of the lodge by other users.
- Refer to the Club’s Code of Conduct ‘10 Commandments’ on website and in Lodges for further information about appropriate lodge behaviour

#### 5.3 FIRE SAFETY

The Club’s Fire Evacuation Plan is located next to the fire system control board, on the notice board in each lodge and other strategic positions.

## 5.4 SMALL CHILDREN

Children are welcome in our lodges and are expected to behave in a manner that does not adversely impact on the enjoyment of others. There is a shared responsibility to ensure a convivial atmosphere is maintained when children are staying in the lodge. Should an issue arise, please approach the child, their parent or the Lodge Manager or Lodge Leader directly.

Please DO NOT put dirty nappies in the rubbish bins in the lodges. There are NO Nappy Storage Systems at Guthega. Dirty nappies should be wrapped up and taken to the hopper bins near the Nordic Centre by the parents. In Waragun (Thredbo), nappies should be tied in a plastic bag and placed in the outside rubbish bin.

### WARNING – EXTREME DANGER

Small children must be drilled that they must not leave a lodge unless accompanied by an adult. To comply with fire regulations, it is made extremely easy to exit our lodges. If your child exits a lodge alone, will they be able to re-enter? Will they know where the door chime is?

During winter, please do NOT allow children (or adults) to play on the roof or behind Tiobunga within the protective fence. When a 15cm slab of snow slides from the roof it does so with great force and instantly creates a pile of snow and ice over 180cm deep. It is extremely dangerous!

## 5.5 SAUNA

The Sauna will not be operational
